Yogyakarta, Indonesia | (+ 62) 81268044470 |
fahrezyromeropurba@gmail.com | <https://www.linkedin.com/in/fahrezyromeropurba/>

I am a student majoring in informatics at Ahmad Dahlan University Yogyakarta with an interest in web development. I have completed various assignments and independent projects, designing and implementing attractive user interfaces and powerful applications for web platforms. Actively participating in extracurricular activities, I collaborate on IT projects that I find challenging and help me grow. I am looking for an internship opportunity to apply my skills in a practical work environment and further my interest in the field of professional web development.
